Wells tale is getting another shot at . *This Book is annotated (it contains a detailed biography of the author). *An active Table of Contents has been added by the publisher for a better customer experience. *This book has been checked and corrected for spelling errors.The. It is one of Wells's earliest and most sinister personifications of the scientific quest to control and manipulate the natural world, and, ultimately, human nature itself. While "The Island of Doctor Moreau" has not achieved the popularity of some of H.G. Wells' other science fiction stories, those who have read it often describe it as one of the his greatest works. This haunting classic by Wells--a dark fable about the characteristics of beasts blurring as the animals turn into men--serves as a compelling reminder of the horrors that reckless experiments with nature can produce. Reissue. A Gathering of Selves: The Spiritual Journey of the Legendary Writer of Superman and Batman. Continuing on the Path without Form introduced in An.
